

Handcrafting genuine Australian made,
commercial soft seating for over 30 years.

Consistently refining and improving our craftsmanship
to bring the highest quality commercial furniture
to thousands of offices Australia wide.

experience

Gregory Commercial Furniture's experience and expertise in frame manufacturing and upholstery techniques, enable us to design and build a wide range of lounges, tub chairs, ottomans, acoustic booths and custom products such as banquette seating.

Our in house facilities enable us to not only design, but also prototype, test and manufacture quality and innovative solutions that meet your precise soft seating requirements.

sustainability

Gregory Commercial Furniture is committed to a greener Australia and a more sustainable future for all. Just how committed?

We place sustainability at the centre of all our manufacturing, sourcing materials responsibly and aiming to maximise the use of recycled timbers in our furniture.

We use recycled desktops from previous workstation fitouts and also other sustainably sourced timbers in the production of our frames wherever suitable, without compromising quality. Making us one of the greenest furniture manufacturing companies in Australia.

cambroso

Cambroso is a contemporary lounge which features a modern and timeless design. Immediately softening the office environment while adding a touch of sophistication.

Handcrafted in Australia, Cambroso can be upholstered in commercial quality fabrics of your choice, bringing a sense of luxury and comfort to suit your office space.

This Cambroso lounge features matt black legs as standard and is available in single, two and three and four seat models, along with a complementing quiet booth adding to its versatility.

sienna

Especially made for commercial applications the Sienna is a classic that incorporates the values of style, support and structural integrity which are expected from hard working seating in public areas.

Blending a classic design with elegant proportions in a range of models, means you can create a versatile space to suit your exact requirements.

Hand made in Australia, Sienna can be upholstered in your fabric or leather of choice giving you complete creative freedom to turn your office vision into reality.

nardo - coming soon

Nardo soars to new heights with its funky aerofoil inspired design and curvaceous lines. This generously proportioned lounge range is ideal for those looking to add retro charm and inspire creativity within their office space.

The organic lines of the arms draw your eyes to the extremities making the lounge appear extra large in breakout areas.

Available in multiple configurations this unique lounge range will transform your office.

levata

The Levata is best described as a little retro and a lot funky. If you desire a minimalist setting modular system, Levata is perfect. Combining a generous seat and back cushion on stiletto legs creates very versatile and functional modular setting. Available in both concave and convex configurations you can configure this to create a funky breakout area or snake the modular seating through your office.

Every piece of Levata has been handcrafted in Australia from locally sourced materials so you can enjoy the best commercially made lounge Australia has to offer for many years to come.

Also available with an extra high back acoustic design complementing the minimalist lines and adding privacy to open plan office areas.
