

Slimline

ergonomic task chair

Gregory Slimline

The pinnacle of Ergonomic Design

Expertly designed by a professional physiotherapist, this high-end office chair offers exceptional ergonomic support and comfort. Endorsed by experts, it provides unique lateral and lumbar support, as well as increased thoracic support. The chair's thoughtful design ensures your well-being and productivity, with a fully upholstered

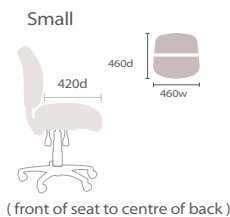

outer back for style and comfort.

Tailored to your needs, the Slimline comes in medium or high back designs, and various seat size options for a perfect fit. Its award-winning Dual Density Posture Support ergonomic seat technology promotes proper posture and reduces muscular effort.
