## A Cutting-Edge Fusion of Form

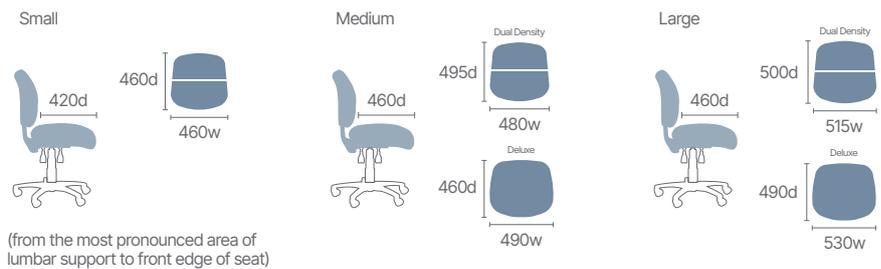

The Gregory Boxta, a leading choice in ergonomic seating, features a contemporary square back design providing both a modern aesthetic and excellent back support. Its Dual Density Posture Support technology ensures comfort and correct posture, reducing the risk of back pain associated with prolonged sitting. With a user-friendly 3-level independent mechanism,

the chair allows effortless customisation of seat height, tilt, and back angle for a personalised experience. The anti-slip ratchet back height adjustment enhances its ergonomic advantage, maintaining the preferred position. AFRDI 160kg certified, the Boxta is built for durability, capable of withstanding intensive use while retaining its structural integrity.
