

EOS

Ergonomic Task Chair

Experience the pinnacle of ergonomic seating with the Gregory EOS, Australia's most advanced high-end ergonomic mesh back chair. A perfect blend of Australian innovation, Italian design, and European engineering, the EOS embodies the epitome of style, comfort, and cutting-edge functionality. The EOS features a contemporary high back design, making it a perfect fit for any modern workspace.

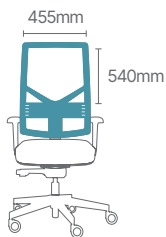

Gregory EOS Australia's Most Advanced Ergonomic Mesh Back Chair

The Gregory EOS offers personalised comfort and superior ergonomics with its height-adjustable mesh back and lumbar support. Featuring the patented Dual Density MkII Posture Support technology, it reduces muscular effort and promotes better health during prolonged sitting. The EOS includes a self-tensioning synchronised mechanism, 3D adjustable armrests,

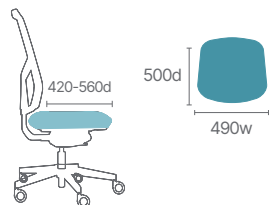

and a stylish 5-star base for a truly individualised and adaptable seating experience. With a 5-year warranty and AFRDI Level 6 Certification, it assures lasting quality and durability, presenting a revolution in workplace seating that seamlessly fuses style, comfort, and advanced technology. Choose EOS for the ultimate seating experience.
