

# Slimline

Ergonomic Task Chair

Proudly designed and manufactured in Australia, the Gregory Slimline features a fully upholstered outer back, reflecting a seamless blend of comfort and style. This chair is available in medium or high back designs, with small, medium, or large seat options, ensuring a perfect fit tailored to your unique body shape and seating preference.

# Gregory Slimline

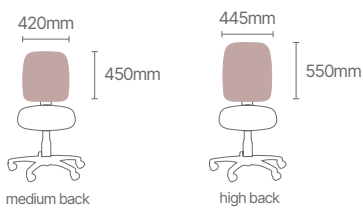

## The Pinnacle of Ergonomic Design

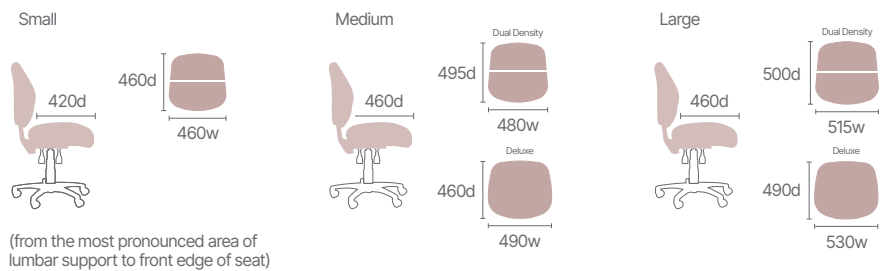

The Gregory Slimline is a high-end office chair designed with insights from a physiotherapist to provide exceptional support and comfort in any workspace. It features outstanding lateral and lumbar support, increased thoracic support, and Gregory's award-winning Dual Density Posture Support ergonomic seat technology for comfortable and correct seating.

The Slimline also offers a user-friendly 3-lever independent mechanism for personalised adjustments and an anti-slip ratchet back height adjustment. With AFRDI 160kg certification, the Slimline is built for heavy-duty use, ensuring robust construction and superior durability, making it the ideal choice to elevate office comfort and productivity.
