

Slimline Ultra

High End Ergonomic Chair

Introducing the Gregory Slimline Ultra, an ergonomic executive chair that flawlessly blends style, comfort, and technology. This top-tier managerial chair is meticulously crafted in Australia with the finest quality timbers and fabrics, reflecting an unerring commitment to quality and durability. With its state-of-the-art ergonomic features and executive styling, the Slimline Ultra is poised to transform your office seating experience.

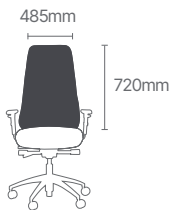

Gregory Slimline Ultra Experience Smart Technology and Superior Craftsmanship

The Gregory Slimline Ultra integrates GSmart Smart Chair Technology, actively promoting better posture and movement to mitigate sedentary risks. Its ergonomic design, featuring high back support and dual-density seat foam, prioritises comfort and spinal health for prolonged sitting sessions.

With customisable features and a robust 10-year warranty, the Slimline Ultra epitomises a commitment to workspace comfort and long-term well-being. Its luxurious upholstery and durable construction make it an indispensable choice for those seeking premium quality and ergonomic excellence in an executive chair.
