

ACOUSTIX Pod

Portable Office Booth

ACOUSTIX Pod is an innovative portable acoustic office booth designed for wheelchair accessibility and fire sprinkler compliance, with optional HEPA filtration for enhanced health and safety. These flexible pods can be easily repositioned, ideal for open-plan offices. Tested to ISO 23351-1:2020 standards, they ensure a minimum 25-decibel sound reduction for speech privacy and offer customisable upholstery options for any office design.

ACOUSTIX Pod

Where Accessibility and Tranquility Converge

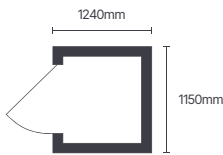

ACOUSTIX Pod is a pioneering portable acoustic office booth designed for wheelchair accessibility and compliance with building fire sprinkler requirements. Prioritising health and safety, it features optional HEPA filtration. These flexible and inclusive pods can be repositioned easily, making them an ideal solution for modern, open-plan office environments.

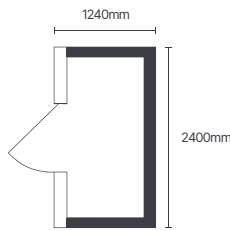

Tested to ISO 23351-1:2020 standards, ACOUSTIX Pod is classified as a Class A Speech Reduction Pod, ensuring a reduction of at least 25 decibels of sound to guarantee speech privacy. It offers a variety of upholstery options in numerous colours allowing front surround and back wall customisation to match any office design perfectly.
